Your Prepaid Card account and associated direct deposit account number cannot be used for preauthorized direct debits from merchants or from utility or Internet service providers. If presented for payment, these preauthorized direct debits will be declined and your payment to the merchant or provider will not be processed. The bank routing number and direct deposit account number are for the purpose of initiating direct deposits to your Prepaid Card account only. You are not authorized to provide this bank routing number and direct deposit account number to anyone other than your employer or payer.
